Valparaiso Boys & Girls Club offers Saturday basketball for teens

Teens wanting to chase away winter blues can play basketball at Boys & Girls Club of Porter County-Valparaiso Club on Saturdays beginning January 14, 2012 through March 17, 2012. The Valparaiso Club will host open gym for teens from 2:00-4:00 p.m. for members and non-members alike.

Open Gym Saturdays are free to club members. Teens who are non-members are required to bring a current student ID card and can come free one time as a guest. A club membership must be purchased for future visits. The Boys & Girls Clubs of Porter County offer affordable \$25.00 annual memberships. Financial aid for membership and league fees are available for those who qualify.
