

Boys & Girls Clubs of Porter County 11th Annual Steak & Burger Logo Contest Winner Announced

A call was put out to all Boys & Girls Clubs of Porter County Club members asking for their help in designing a logo to be used for the 11th Annual Steak & Burger Dinner to be held on Thursday, September 30 at the Porter County Expo Center.

The work of 11-year-old Nahiyha Porter from the Valparaiso Club was selected from the many submitted. Nahiyhas' winning artwork will be featured on the invitations and posters for the event and will also be seen on t-shirts worn by the Club members selected to attend the event. Her drawing also inspired the theme of this year's Steak & Burger, "Reaching Your Full Potential".

Steak & Burger Dinner is an annual fundraising event for the Boys & Girls Clubs of Porter County designed to give Club members and the community the opportunity to interact together while enjoying a fun and unique dinner in which Club members, who are the guests of honor, eat steaks and everyone else eats burgers.

Each Club member who attends has been selected because of his or her positive attitude, outstanding service and are the best representatives of the Boys & Girls Clubs mission. Our objective is to help these Club members realize the diverse opportunities available in Porter County as well as provide a direct connection to the youth of our community.

This year's special guest speaker will be Robbie Hummel of Purdue University's Boilermaker Basketball team and also a former member of the Valparaiso Boys & Girls Club. Don't miss this great opportunity to meet Robbie Hummel and share an evening with an outstanding Club member in your community!

Table sponsorships range from \$700 to \$2,500 and offer various marketing benefits. Individual tickets are also available for \$75 each. For individual tickets, corporate sponsorships or to donate a silent auction item, please call Tricia Howe, Director of Marketing & Special Events at 464-7282, ext. 235 or email thowe@bgcpoco.org.

The mission of the Boys & Girls Clubs of Porter County is to inspire and enable the youth of our communities to realize their full potential as productive, responsible and caring citizens.
